August 2011 Volume 3, Issue 7

## FREE SUPER X TICKETS

Now that got your attention - didn't it!!!  
We are desperate for helpers at the working bee this Saturday.

The highest number of attendees at the recent working bees is 4. Often it is less. These few people have helped to prepare everything at the track for the last few race meetings including the Northern NSW Challenge. This is a little unfair when there are between 50-100 riders on race day and over 250 club members yet if these few people did not put in the time they do there would be nothing to race on!

While we understand that the club members live far and wide every little bit of help makes a difference. Now that we are able to offer camping at the track perhaps this means a few more people could lend a hand on the Saturday. The few club stalwarts who always make sure everything is done are becoming a little worn out.

If there is any chance you could spare a little time on Saturday please call TOM COMMERFORD 0417 452702 for times and tasks.

We wish we could offer **FREE TICKETS** as a reward but if you are still reading this then it has worked already!

## ROUND 4 THIS WEEKEND

See you at the track this Sunday for R4. Don't forget that if you have previously ridden at the track this year you **DO NOT** have to complete an entry form just bring your licence and wallet straight up to the sign on desk.

**Remember also that all riders must provide a flag marshall**

Please make sure you have signed on and scrutineered **BEFORE 8.30am** (anytime after 6.30am is good!)  
so we are ready for a 9am start.....
